

If you have items at home that you no longer use or need, we would love to have them at the Samaritan Center. With three thrift stores to keep stocked, we are always in need and almost anything can help. However, there are certain items that we cannot accept due to safety and practical use requirements. See our lists below to learn more. If you have a question about an item, you are welcome to call our main office for guidance.

We are able to schedule pick-ups for large furniture and/or appliances as long as they are in working condition and are without damage. Please note that our team cannot go up stairs to pick up items, and keep this in mind before you call to schedule. To learn more about our free furniture and large appliance pickup service, call 423-238-7777.
