

Care Corner Most Needed Items

A family can often find help with food, but many of the items needed to maintain a clean, healthy home cannot be purchased with SNAP benefits. Things like soap, shampoo, toilet paper, laundry detergent, and cleaning supplies quickly become unaffordable when budgets are stretched thin.

The Care Corner exists to help meet those everyday needs. Every donation on this list helps local families preserve dignity, maintain their homes, and focus on moving forward.

Thank you for helping make that possible.

- Soup
- Canned vegetables
- Cooking oils
- Peanut butter
